Transcript Regulations — Silliman University

STUDENT INFORMATION

Student records are confidential and information is released only at the request of the student or appropriate institutions. Partial transcripts are not used. Official transcripts of records obtained from other institutions and which have been presented to Silliman University for admission or transfer of credits become part of the student's permanent records and are re-issued only as a true copy.

A minimum transcript fee is charged for handling of the records. Extra fees may be charged for additional attachments. Documentary stamp worth P15.00 is required for every release of a transcript of records.

Good standing signifies that the student is eligible to continue, return or transfer elsewhere. It implies good academic standing and a good citizenship, and is used synonymously with such term as Transfer Credential/Certificate of Honorable Dismissal Granted. Suspension or dismissal for academic disciplinary cause will be shown on the transcript.

In computing for the quality point average (QPA) for graduation and honors, the subjects are weighed according to the respective number of units assigned to a course.

A grade of "In" (Incomplete) indicates that the student has not completed all the assigned work for the course. An "In" must be completed within the following term in the semester in which the course was taken; otherwise the grade automatically becomes "NC" for "No Credit," or "NG" for "No Grade". An "NC" or "NG" grade is permanent and cannot be subsequently changed due to the lapse of the prescribed period of completing the requirements.

The letter "W" shows that the student has dropped a course with the written permission of his/her Dean/Director/Principal. If a student drops a course without the written permission of his/her Dean/Director/Principal, the grade for the course automatically becomes "F". "WF" is recorded when a student officially withdraws from the course but is failing at the time the withdrawal was made.

In order to graduate, a minimum cumulative quality point average (cQPA) is required at the end of the term in which the student completes his/her course in the following: Baccalaureate programs, 2.0; Law, 2.3; Medical School, 2.5; Master's program, 3.0; and Doctorate programs, 3.5.

As additional requirement for graduation and progression in the degree program, all designated undergraduate professional courses or major subjects must have the minimum QPA set by the college and approved by the Academic Council.

All courses under the Master's and Doctorate programs must have a minimum grade of 3.0 and 3.5, respectively.

SEMESTER HOURS CREDIT

One collegiate unit of credit is equivalent to a one-hour lecture or recitation each week, or a total of 18 hours in a semester. Three hours of laboratory work, drafting or shop work each week, or a total of 54 hours a semester, are equivalent to one lecture or recitation.
